### Instructions

**YOU ARE REQUIRED** to complete this form if you are repaying your Direct Loans under the Income Contingent Repayment (ICR) Plan and:

- you are in your first year of repayment on a Direct Loan;
- you are in your second year of repayment on a Direct Loan and have been notified that alternative documentation of your income is required; or
- you have been notified that the Internal Revenue Service (IRS) is unable to provide the Department of Education with your Adjusted Gross Income (AGI) or that of your spouse.

**YOU MAY** complete this form if you are repaying your Direct Loans under ICR and your AGI, as reported on your most recently filed federal tax return, or that of your spouse does not reasonably reflect your current income. Your AGI may not reflect your current income and ability to repay your loan(s) in circumstances such as loss or change of employment by you or your spouse.

In cases where alternative documentation of your income is used, the amount of your monthly payment under ICR is based on the current income information you and your spouse provide and is reevaluated annually. To submit alternative documentation of your income, you must attach the required documentation, complete and sign this form, and return it to the address on the back of this form. If you are married, your spouse also must complete and sign the applicable sections of this form and submit the required documentation. If you need assistance, please call 1-800-557-7392, or TDD 1-800-557-7395.

**Privacy Act Disclosure Notice**

The Privacy Act of 1974 (5 U.S.C. 552a) requires that we disclose to you the following information:

The authority for collecting this information is §451 et seq. of the Higher Education Act of 1965, as amended (the HEA) (20 U.S.C. §1087a et seq.). The principal purpose for collecting this information is to allow you to provide documentation of your current income to the Department of Education (the Department) so that an appropriate monthly repayment amount may be calculated under the Income Contingent Repayment Plan.

We ask that you and your spouse, if married, provide the information requested on this Alternative Documentation of Income form on a voluntary basis. However, if either you or your spouse does not provide all of the requested information that is available to you to the Department, your monthly payment amount may be based on your Adjusted Gross Income, as reported on by the Internal Revenue Service, or, in some cases, you may not be allowed to repay your Direct Loan(s) under the Income Contingent Repayment Plan.

The information in your file may be disclosed to third parties as authorized under routine uses in the Privacy Act notices called "Title IV Program Files" (originally published on April 12, 1994, Federal Register, Vol. 59, p. 17351) and "National Student Loan Data System" (originally published on December 20, 1994, Federal Register, Vol. 59, p. 65532). Thus, this information may be disclosed to parties that we authorize to assist us in administering the Federal student aid programs, including contractors that are required to maintain safeguards under the Privacy Act. Disclosures may also be made for verification of information, determination of eligibility, enforcement of conditions of the loan or grant, debt collection, and the prevention of fraud, waste, and abuse and these disclosures may be made through computer matching programs with other Federal agencies. Disclosures may be made to determine the feasibility of entering into computer matching agreements. We may send information to members of Congress if you ask them in writing to help you with Federal student aid questions. If we are involved in litigation, we may send information to the Department of Justice (DOJ), a court, adjudicative body, counsel, or witness if the disclosure is related to financial aid and certain other conditions are met. If this information, either alone or with other information, indicates a potential violation of law, we may send it to the appropriate authority for consideration of action and we may disclose to DOJ to get its advice related to the Title IV, HEA programs or questions under the Freedom of Information Act. Disclosures may be made to qualified researchers under Privacy Act safeguards. In some circumstances involving employment decisions, grievances, or complaints or involving decisions regarding the letting of a contract or making of a grant, license, or other benefit, we may send information to an appropriate authority. In limited circumstances, we may disclose to a Federal labor organization recognized under 5 U.S.C. Chapter 71.

Because we request your social security number (SSN), we must inform you that we collect your SSN on a voluntary basis, but section 484(a)(4) of the HEA (20 U.S.C. 1091(a)(4)) provides that, in order to receive any grant, loan, or work assistance under Title IV of the HEA, a student must provide his or her SSN. Your SSN is used to verify your identity, and as an account number (identifier) throughout the life of your loan(s) so that data may be recorded accurately.
